Issue # 80

Greetings Everyone!

Welcome to **Headquarters-Info-Line** a fortnightly bulletin of news from NZART Headquarters E-mailed directly to Branches. My thanks to Fred ZLAMJ for keeping the editorial desk in action for the last Issue of HQIL.

It has never been easier to subscribe to the Info-Line distribution list and have Info-Line sent to you direct by E-mail. Just check into the NZART web page <http://www.nzart.org.nz>. Look for **Info-Line Subscribe**. Supply your name, callsign and e-mail address and that's all you need to do. You will receive an e-mail confirmation of your auto-subscription and you can un-subscribe at any time.

The NZART Business Manager Debby ZL2TDM Says:

I am now totally at home in my new Office. I have inserted the front window that displays all of NZART memorabilia. Hope you all like it!

Branch Circular ... Later this month I will be sending a branch circular to all secretaries. Included in this circular will be a bound copy of the NZART Constitution as adopted at the Annual General Meeting in Blenheim, and now registered with the Registrar of Incorporated Societies.

It will soon be available from the NZART web site and to individual members on request to NZART Headquarters.

Call Book on CD ROM Will be sent out at the beginning of October. Please do not embarrass yourselves or me, by requesting additional copies, as there were many occasions when you were asked to pre-order this CD.

It will **not** be available for purchase from the NZART book-shop.

Branch Addresses... It is now too late for any branch detail amendments to be included in the next Call Book. You can still send them to me and they will be all ready for the Call Book next year.

Talk soon....**Debby ZL2TDM**

Amateur Licence Statistics from the Ministry of Economic Development's web site with Tony Case ZL1UD:

Owner: Graham ZL1GTB, 24 Blomfield St, Rotorua 3201, New Zealand

Contact Details: Ph 07 3460677, Mob 025 531584

ZL6A Net To End:

In July there was information on the Official Broadcast concerning a new Weekly 80 Metre Net with ZL6A at 8pm local time on a Thursday night on 3.755 Mhz + or – Qrm. There was a chance for those new to HF and others to participate. Regrettably due to lack of current support or participation this net is now not operating. Thanks to those who endeavoured to make the net a success at this time. – **Report David ZL1DK.**

Branch Spot - Tararua District Radio Club Branch 06:

The Repeater Trustees of the above club are concerned at the number of operators who have access IRLP through designated repeaters without identifying themselves. They remind all operators who send tones through repeaters to activate IRLP that they are required under the Radio Regulations to clearly identify themselves prior to sending the tones. If the problem continues it seems access to the service may need to be restricted or disestablished altogether. – **Report Stephan Cooper ZL2WAU Secretary / Treasurer Branch 06.**

Dates to Remember:

- **Closing Date for Sept/Oct Break-In Friday 10th September.**
-
- **Next HQ-Info-Line e-mailed Sunday 19th September 2004.**
- **Next NZART Official Broadcast 8pm & 9pm on Sunday 26th September.**
