

The year 2001 is NZART's 75th Anniversary year!

NZART's 75th Anniversary Conference 2001 – Auckland June 1st – 3rd 2001

Preliminary Information – Update

During the coming months there will be a number of events and activities to help celebrate this significant event. Arrange something in your local area, put on a display or some other activity to promote 75 Years of NZART's support for Amateur Radio in New Zealand.

The Conference committee is pleased to welcome Lester Earnshaw KB7FA, author and President of Kachina Communications as keynote speaker at the NZART 75th Jubilee Conference. Lester, formerly ZL1AAX, a pioneer in the development of SSB/HF communications in NZ, now lives in the USA.

Our Waiheke Wine Trail Special Jubilee alternative programme is definitely on, but with numbers limited to 45 per day, early booking will be essential. (NB: Preference for this programme will be given to those booking a full weekend.)

Looking forward to seeing you all June 1st – 3rd 2001 for a great weekend.

HOT OFF THE PRESS: Conference callsign will be ZL75

Venue

Alexandra Park Function Centre, a top class venue easily accessible from all routes into Auckland.

Saturday

Registration continues at Alexandra Park Function Centre, followed by the opening ceremony and guest speaker Lester Earnshaw, NZART AGM and forums.

Forums this year will be repeated 2 or 3 times to allow those attending to sit in on as many as possible. Speakers at the various forums include ZL1BPU, Murray Greenman (Digital Modes and Frequency Standards), ZL1AOX, Ian Ashley (AMSAT's AO40), ZL1BNQ, Richard Gamble (Portable AREC equipment), ZL1MO, Irving Spackman, (How to Work Through Satellites), ZL1AMW, Alan Wallace (ARPS & GPS) and talks from Civil Defence and Land SAR representatives.

Interesting alternative programmes will be available for those not attending the AGM or forums, and in the evening, those attending the dinner & social event will be entertained and informed by our speaker, well known broadcaster Philip Sherry.

Sunday

Forums and alternative programmes will continue throughout Sunday, and again, the evening dinner & social promises to be an entertaining and enjoyable event.

Trade, historic, promotional & publicity displays, car boot sales & souvenirs will be available at various times over the weekend.

Accommodation

There are over 30 motels or B & B's within a 5 km radius of the Function Centre, but it would be wise to book early, as functions such as the adjacent Boat Show will also have people requiring accommodation.

The column marked dist. indicates the distance in kilometres between the accomodation and the conference venue. please note: this list has been compiled from current publications, but the committee takes no responsibility for the accuracy of the information.

The year 2001 is NZART's 75th Anniversary year

Three graphics files have been prepared for publicity purposes. Each can be downloaded from here. Feel free to use them!

The "black" version can be used in Branch Newsletters and similar printed black-and-white applications, as

a "sticker", and where black-on-white photocopying is available.

The "blue" version can be used in similar printed applications where colour printing is available.

The "flash" version is for use on web pages. It gives a flashing alternate black-then-blue presentation. See the NZART web opening page. Put a copy on your web page too!

The first 3 graphics files are suitable for inserting into your email messages. How this is done depends on the software you use for mailing. Use HTML (and not TEXT) for your messages. You may be able to import a graphics file into your "signature file". If not, import it into a dummy message along with your signature information and then save this message as a template. Copy this template each time you make a new message. Again, the procedure depends on the software you use. It can be done! Try it!

Thank you for the support you give to our association by using this promotional material.

Suitable for webpages and email signatures etc.

Higher Resolution versions for printed documents

Higher Resolution version flashing logo

To Download: Right Click on the image above, and select "Save Picture As" to save to your local disk.

Thinking about coming to the NZART 75th Jubilee Conference??

Stop thinking about it and register now.

Airfares have never been cheaper. Take advantage of the current airfare price war and come to Auckland June 2nd & 3rd. There is plenty of accommodation close to the venue still available. Make the most of your opportunity to celebrate the 75th anniversary of NZART in style.

Registrations before May 19th qualify you for a \$10 discount, and if you send a flyer with it you will go into the draw to win a refund of your conference fee.

Used equipment sale at NZART Conference

WHERE: Alexandra Park NZART Conference venue. Outdoors. Sale area to be marked.

FORMAT: Car Boot Sale: Drive in your vehicle, sell from your vehicle. Open to all comers, not restricted to conference participants.

VENDOR FEE: \$10.00 per vehicle.

This sale will be advertised in the Trade and Exchange paper which has very wide circulation. Advertised as sale of Radio, Electronic and Computing gear generally. About 30% of the population of NZ lives in easy driving distance of the venue, so every reason to expect an exceptionally good turn out.
