Band: 80m
Modes: Phone, and CW

Please refer to the 2007/8 NZART Callbook, Contest Section for full details of the Contest Rules and other operating Information., or the NZART Website-
<http://www.nzart.org.nz/contests> for this information.

In view of the commemorative and "sacred" nature of this event the support by all NZART members would be welcome to honour those who sacrificed their lives in the defence of New Zealand. Without their unselfish actions it is highly likely that we would not be taking part in Amateur Radio activities today.

Sorry for the "revised layout" of this week's bulletin - must be the cold weather playing "hob" with the upstairs department - I blithely went ahead and inserted the various local notices without providing for either of the prominent promos for the various contests (as above), or the space for a general lead in - the weather here is rreally ccooolld as I guess it is throughout NZ. Have we skipped Global Warming and gone into Ice Age mode. The addition to last week's bulletin, emailed separately to the main one was the result of coming across a notice that the upcoming CQWW WPX CW Contest dates had appeared to have changed from that previously advised. This has caused some confusion today in a number of Contesting Reflectors. NEXT WEEKEND IS THE CORRECT DATES FOR 2009. It has been a longstanding tradition for the WPX CW Contest to take place on the 3rd weekend of May annually.

Good luck to those "contesting" this weekend.
Next week's bulletin is likely to be sent on Thursday as I am off to Hastings for the NZART Conference - it will also likely to be quite brief.
