

Wellington Radio EXPO '09

The Combined Wellington Amateur Radio Expo 2009 committee advises that the annual Wellington Region EXPO '09 is on again this year - place the following date into your calendars - Saturday 28 March 2009.

The venue is still Knox Church Hall, 574 High Street Lower Hutt. Doors open to the public at 10am and vendors at 7.00 am, entry \$4.00.

This will be the fifth Wellington Radio EXPO event. There will be the usual trade displays, sales of new amateur equipment and trading tables of used equipment.

News:

Signals NZ, based in Dunedin will be attending and having a selection Vertex Standard/Yaesu recent release equipment.

Note:

Lee Andrews of Andrews Communications will be in attendance again, also marking his fifth year at this event! As Lee prepares for his attendance he has requested that you contact him for any special equipment orders, or items of interest you wish to see at the EXPO. He is preparing his shipment for the EXPO now so get those orders in now to avoid disappointment. Get in touch with the organising committee so that we can pass any requests along to Lee, or contact him direct.

Other displays present at this year's event include a display of vintage military radio sets by George ZL2GM and also a static scale replica of an 1800's steam engine built by Peter ZL2BAQ.

Refreshments

Coffee, tea, soft drinks, and cafe styled food will be available in the hall.

Spot prize draws will be run throughout the show by MC Jim ZL2BHF. Following on from last year's success, four additional raffles will be run this year, so buy a ticket for an even greater chance to win!

Don't forget to check the details on line at the NZART website at:
