Presents

# National System Award 2010

in association with

## New Zealand Historic Places Trust

**National System Award 2010 - Historic Places**, is presented by The Hamilton Amateur Radio Club, Branch 12 NZART in association with the New Zealand Historic Places Trust. Based upon the original idea of the Wellington VHF Group. This is a FUN award available to all amateurs to demonstrate the coverage and use of the National System, to promote our history and category 1 Historic places. Detailed documentation is available from:- <http://zl1ux.tripod.com/nsaward.htm>

The award will run from 1 January 2010 to 7 February 2010.

### Points will be allocated for:

- Contact any Amateur in each NZART Branch area (excluding Branches in recess) via the National System. Only Branches on the provided list, available from:- (<http://zl1ux.tripod.com/nsaward.htm>) are valid. **1 point**
- Contact ZL1UX, official station of Branch 12 via the National System. **3 bonus points**
- Contact any Amateur operating from a Category 1 Historic Place (as listed in the Historic Places Trust Register, available on ([www.historic.org.nz](http://www.historic.org.nz)) via the National System. **1 point**
- Contact any Amateur whilst operating from a Category 1 Historic Place (as listed in the Historic Places Trust Register, available on ([www.historic.org.nz](http://www.historic.org.nz)) via the National System. **1 point**

Points are cumulative and each site may only be listed once. Only one branch or historic site may be logged per contact. The log must record the registry number of the site, available from the Historic Places Trust Website at ([www.historic.org.nz](http://www.historic.org.nz)).

### Participants are requested to note the following key points:

1. A number of the Historic Places are private property; therefore participants **MUST** respect the private property. ***It is not necessary to enter any private property to log the contact.*** Participants are expected to be in near proximity to the Historic Place, not on the site.
2. There are no definitive boundaries between branches, so participants need to determine which branch they are in, to log the point. This distance will vary for different parts of the country. Only one branch can be logged per contact. Branch's in recess **DO NOT** count.
3. Participants are encouraged to learn about the NZART branches and the places that define our history through visiting the Category 1 Historic Places.

Send a log of contacts with; date, time, callsign and first name of contacted person, NZART Branch name or Historic Places Trust Register Number of the site, for each contact, and preferred award format (electronic or hard copy) to:
