... a service from ...

The New Zealand Association of
Radio Transmitters Incorporated

16 October 2005

Issue #104

Greetings Everyone!

Welcome to **Headquarters-Info-Line** a fortnightly bulletin of news from NZART Headquarters E-mailed directly to Branches.

It has never been easier to subscribe to the Info-Line distribution list and have Info-Line sent to you direct by E-mail. Just check into the NZART web page <http://www.nzart.org.nz>. Look for **Info-Line Subscribe**. Supply your name, callsign and e-mail address and that's all you need to do. You will receive an e-mail confirmation of your auto-subscription and you can un-subscribe at any time.

The NZART Business Manager Debby ZL2TDM Says:

Membership promotion - We have finally reached the ton, 103 new members to be exact. How many more can we encourage to join. Are YOU promoting your hobby, can you get others to enjoy what you do in amateur radio?

Please seek other amateur radio enthusiasts who for one reason or another have yet to join the Association. Remember also, the \$10 voucher that can be deducted from your annual subscription if you can encourage one new member to join up.

Break In - My sincere apologies at the lateness of Break In this month. It appears there was some problem at the printers in Christchurch which delayed the printing of both Break In and Call book.

Hopefully many of you now have received your latest issue, and doesn't Call book look great. I have a number of additional copies on hand, so if you would like to purchase one for a friend or maybe send overseas for Xmas presents, the cost is \$14. Please contact me for further details.

Free Hamads to NZART members - Council resolved that there will be no charge for Hamads in Break In for a limit of 30 words or less. This will come into effect in the first issue of Break-In 2006. Members of NZART only are eligible for this special offer.

Talk soon...Debby ZL2TDM

Amateur Radio Callsigns: Please see the document at http://www.nzart.org.nz/nzart/update/infoline/Amateur Callsign structure etc comments_3rd DRAFT_.pdf from the NZART Administration Liaison Officer inviting your comment on Amateur Radio Callsigns."
