## From HQ

Debby says...A very belated happy new year. I completely forgot to put my bit into the HQ Info-line Editor in our first one for the year.

By now you should all have received your Break In and the much awaited Call Book on CD Rom. If you haven't received it, please check that your subscription has been paid, or better still received by me...for some reason there has been quite a significant amount of mail go missing between December and January. I have seen more than my share of queries regarding payments sent but not received here, both with NZART and for the Ulysses Club. Do we have another lazy rogue postie tucking mail away somewhere??

Call Book on CD Rom is always a topic for discussion. I and the Break In Editor have received a number of e-mails and phone calls advising that it is not suitable. I must remind you, Call Book comes

at a considerable cost, while it would be great to think we could produce a full call book every year, this would increase your subscription to well over the \$100 mark annually. If you would like to offer other alternatives, please feel free to write to Council for their consideration, or perhaps join us at conference and have your say at the AGM.

Examination Question Bank – we have finally had approval from RSM for the upgraded Question bank, there are only a few changes, however there are a number of area's in the online examination generating software that need to be amended. It is hoped that the new system will be in place by 1 April 2017, therefore all those branches wishing to undertake Ham Cram courses before this date, please use the old system. All supervisors will be notified by mail/e-mail as soon as we have updated everything.

A reminder that I need all nominations for awards, i.e. ZL1HV award, NZART Life membership, Young Amateur of the year and Amateur of the year by 1 April at the latest.

Talk soon....Debby ZL2DL
