## From HQ

Bouncy email issues resolved.

By a co-incidence of changes at Google and Vodafone NZART got caught short in September and early October with many emails sent to Debbie at HQ bouncing back an error message and quite a few member email addresses giving similar results.

This issue has now been resolved through the migration of our email services to a dedicated server.

If you do see any more rubber-like email issues please forward the error messages to [postmaster@nzart.org.nz](mailto:postmaster@nzart.org.nz) and we'll check it out.

- ZL3LF, webmaster

Debby Says....

Many of you will be aware all Vodafone e-mail addresses will cease to operate as from the 30<sup>th</sup> November. This includes the direct e-mail for NZART, therefore from now on all e-mail is to be addressed to the e-mail listed on our web site, [nzart@nzart.org.nz](mailto:nzart@nzart.org.nz). All mail to any other headquarters address will be diverted to this one. Rest assured we now have all the undeliverable issues resolved.

Subscriptions are now due for 2018, if you wish to take advantage of the early payment rebate of \$10, please pay before the end of November.

The discounted payment for transmitting/non-transmitting is \$89 and family transmitting/family non-transmitting \$119.00. For some reason a number of people deduct the \$10 and pay only \$88!

If paying direct to our bank account, please ensure you include your call sign and membership number.

A receipt for your donation of the rebate, i.e. \$10 can be issued on request. The entire subscription cannot be treated as a donation, only the rebated amount.

Headquarters will be closed next week, that is from Tuesday 31<sup>st</sup> October until Tuesday 7<sup>th</sup> November.

Talk soon...Debby ZL2DL

## **2017 CW ops Award**

2017 Recipients of CW ops Award for Advancing the Art of CW

It's with great pleasure that CW ops announce the 2017 recipients of the CW ops Award for Advancing the Art of CW.

Boy Scouts of America received the award in recognition of its outstanding programs over the years that advance the art of communicating with Morse code. Many radio amateurs can trace their interest in CW to have begun with achievement programs and activities in the Boy Scouts.

Roger Cooke, G3LDI is a recipient in recognition of his many years of successful efforts in advancing the art of CW including being the GB2CW Coordinator for the RSGB, on-the-air code practice, teaching Morse code, and authoring the book "Morse Code for Radio Amateurs" currently in its 12th edition.

73,

Riki Kline, K7NJ / 4X4NJ

Chairman, CWops Awards Committee

## **Ham Event**

**December 9<sup>th</sup> 2017.**

**Sale of Treasures (Donations Gratefully Received)**

**Technology Display**

**Shelf Cleansing**

Branch 08 of NZART is holding a Ham Event.

It will consist of a bit of a yarn and a poke through Lost Treasure to find that pot of Gold.

To be held at the Latham Road Clubhouse on Saturday the 9<sup>th</sup> of December 2017.

Nothing too formal, just to open up our "Shack" to get rid of some "Junk".

Remember the old saying, "One mans junk is another mans Treasure".

We sure hope this is true.

No Reasonable offer refused.

We have been left with some "estate" gear, which is closing up our sinuses.

Open time is 11am till 3pm.

We may even cook you a "Snag" on the barbie, mate.

Come on up (or down) for a visit.

Who has ever said no to a "Road Trip".

Location: Google map "Latham Road, McNab"

Time: 1100 hours till 1500 hours.

Date: December 9<sup>th</sup> 2017.
