Debby says...

Silent Key

It is with much sadness that I advise of the sudden passing of Gary Bold ZL1AN on Tuesday 3rd July, a life member of NZART since 2002. Gary was first used the call sign ZL1AN on the 1st June 1961, however may have held an earlier call. Gary has written 'The Morseman' articles for Break In since June 1987.

Thank you, Gary, for all the knowledge, experiences and incredible ability to making learning fun, we will miss you.

On behalf of NZART Council and members, I extend deepest sympathies to Rosemary and his children at this time.

Member Promo

I may have been a bit early to notify people that we were to undertake a membership promo as I have already received enquiries.

The New Member drive will not occur until the end of January 2019.

However, should anyone wishing to join now can do so using the pro rata rate of \$49.50, but please remember subscription invoices for the 2019 year will be included with the August Break In.

Exam Software Upgrade

There have been some more changes made to the Exam Question Bank and Call Sign application form. These have been uploaded to the web, so please make sure you remove your old version before generating a new exam.

Talk soon...Debby ZL2DL
