Oceania Contest

The 2018 Oceania DX Contests are coming up in early October: SSB on 08:00z on October 6th to 08:00z on the 7th and on CW at the same times the next weekend (October 13th and 14th).

The committee is keen to increase the number of ZL stations taking part. This is our contest, the world's beams are pointed our way for a change!

It's a great opportunity to take part in a friendly, relaxed contest and work some great DX. If you want to enter OCDX contest from home or as a club activity and need advice, please let us know. It's a great "starter" contest.

In this contest, [Oceania](#) prefixes count as multipliers e.g. ZL1, ZM1, ZL2 and ZM2 are four multipliers so everyone is sought after. Talking of rare multipliers, listen out for some of the Quake Contesters operating both contests from Niue as E6Y.

Numerous trophies and plaques are up for grabs. In addition, category winners in each continent and country earn winners' certificates. We are offering participation certificates to encourage everyone to make at least a few QSOs: to qualify, simply enter with as little as one valid contest QSO!

Please take a moment to check out the [rules](#) at www.oceaniadxcontest.com

Any questions? Send an email to info@oceaniadxcontest.com .
