Use of ZM Callsigns during COVID-19 Lockdown

At the suggestion of Paul, ZL4TT, we applied to Radio Spectrum Management for, and have been granted, approval to treat the COVID-19 lockdown period as a “special event.”

This means that, for the duration of the lock down, New Zealand Amateurs may use the ZM prefix instead of the ZL prefix on their callsign.

Please feel free to use these callsigns from today.

We hope that the use of the ZM prefix will:

- help to relieve the boredom for amateurs stuck at home over the lockdown period; and
- increase the profile of New Zealand amateurs (and New Zealand in general) overseas.

Stay safe in your bubble.

Regards

Don ZL2TLL, NZART ALO

Break-In – March/April 2020

The next issue of Break-In – March/April 2020 is now with the printers and I expect it to be done this week or next. It will then be couriered to Auckland for NZ Post to flow wrap and post out. It should be in your letterboxes from the week beginning 6 April or earlier. I do have a Plan B and C should this not occur.
