

Remits For NZART AGM 2023:

- 1) NZART to create a digital only membership, for those wanting a digital only copy of Break-In with discounted membership fee.

NZART needs to get with the times with increasing costs, several members don't need or want a paper copy of Break-in these days. There needs to be a cheaper option for those wanting a digital version. A digital version can be searched and indexed with a couple of mouse clicks unlike the paper copy. This also helps to save the planet with reduced paper use.

Council Comment:

Council does not believe that opting out of a hard copy subscription of Break In would lead to reduced costs. It would likely lead to increased costs. Council does not support this remit.

- 2) NZART to reduce membership fees for members associated to clubs that are charities or the club does not meet the criteria to be covered under NZART public liability insurance.

Recently it's been discovered that several clubs are not covered by the NZART Public liability insurance policy. These branches need to know that they are or are not covered before any event, so that no one assumes they are covered when in fact they are not.

Council Comment:

NZART has no control over whether branches do or do not meet the requirements to be covered under NZARTs insurance. Therefore, NZART does not believe it should reduce the membership as it may lead to perverse outcomes with clubs opting out of insurance cover to reduce costs. Currently there are only 5 branches to which this may apply. Council does not support the remit.
